

Work for India's Energy Future
Join ONGC's Energy Centre as a Leader

ONGC has established an Energy Centre focused on conducting research on marketable solutions in alternate energy, specifically focusing on projects which have the potential to make an impact on India's energy scene. Presently, the ONGC Energy Centre (OEC) has a number of ongoing Projects at various stages of R&D, aiming towards demonstration & commercialization.

OEC invites applications from senior-level, experienced and competent professionals for the post of **Director General-OEC**, on contract engagement for a period of 3 years, in the pay scale equivalent to CTC for an Executive Director level (E9) employee of a Schedule-A PSU.

Eligible candidates will be required to appear for personal interaction on technical and leadership aspects.

ELIGIBILITY

Educational Qualification: B.Tech or equivalent degree, preferably with an MBA or a PhD.

Experience Required: Minimum 25 years of experience with around 10 years in a senior management role of managing a business/ research centre with technical orientation.

Nature of Experience: In areas like, Research & Development, Project Management, Program Implementation, Product or Process Development, System Development & Operations. Experience in Alternate Energy domain, viz. Nuclear Power, Solar Energy, Wind Energy, etc, would be preferable.

Age limit: <62 years as on 30.06.2012

Job Description: Direct, coordinate and facilitate the working of Energy Centre so as to achieve the goal of developing alternative sources of energy, which can be commercialized.
